AUDITOR'S REPORT

This certifies that I have examined the accounts of the Selectmen, Treasurer, Town Clerk, Road Agents, Trustees of Trust Funds and other town officers, and find them correct.

WM. H. HELSER, Auditor.

FIRE WARDEN'S REPORT

The Town of Lempster has been very fortunate not to have had any serious fires during the past year.

There have been two fires, one, May 18, on the land owned by the Draper Company, which might have been a bad fire, but was well handled by Deputy Warden Abbott and his firemen.

The Toby Lumber Company was responsible for this fire and should have been made to settle but through some oversight in the Forester Department it has not been done as yet. Seventeen men worked at this fire from two hours to twenty-one hours before we thought it safe to leave it.

This fire cost \$88.80, one-half is to be borne by the State.

SILVER MOUNTAIN FIRE JULY 19, 1934

The second fire was July 19, on Silver Mountain. Boys from a camp in Washington built a fire on Silver Mountain and left it before it was fully out. The Warden and Deputy Warden, Abbott, went with a man to investigate this fire which resulted in making their boys pay the bill. Deputy Abbott interviewed the manager of the camp at once and they settled the bill.

The Toby bill should have been handled in a like manner.

This fire cost only \$8.18 and the town was fully reimbursed.

SCHOOL REPORT

Superintendent's Report

To the School Board of Lempster:

Due to the many changes in the supervisory unions of the State, Lempster was removed from Union No. 5 in July, 1933, and reunited with it again in 1934. I, therefore, at this time, submit my fourth annual report to the School Board of Lempster.

I was glad on my return to find the same public spirited Board, Mrs. Ada Wanner, Mrs. Susie Hurd, and Mrs. Conchita Hodgman, and the same able, efficient teachers, Miss Frances Clark with the four upper grades at the East Lempster School and Miss Susie Benway with the four lower grades at the Street School.

This year has brought an increase in the number of pupils to be transported from the Cragin District. This does not add to the local burden as the State will approve the transportation problem. If the number of pupils from that part of the district keeps increasing we may be forced to readjust our school system. I hope that we may continue as we are now because I feel that each child is now given the opportunities of good class work.

Through the interest and labor of your nurse, Mrs. Z. L. Hasham national funds were used to hold a dental clinic at Lempster this year. Dr. Crandall offered skill and low prices for the school work. I hope that some way will be found to raise a fund to continue the clinic next year.

I hope that some year you will be able to install chemical toilets at the Street School like the ones at the East School. I find the school property in very good shape, and the pupils doing a high grade of work.

I wish to thank the Lempster School Board, the teachers, and the citizens of Lempster for their help and kindness.

Respectfully submitted,

WALTER L. MASON.
